

Dear Reader,

We are pleased to share with you the third e-zine of our Erasmus+ Project “Embedding Entrepreneurship Education” (EEE) which contains articles on our project development and updates from three project alliances led by Univations (Germany), Management Center Innsbruck (Austria), and University of Szeged (Hungary).

Some of the highlights from the third quarter of the EEE project include news about the International Launch of the EEE project at the 2018 University-Industry Interaction Conference in London on June 20th; featuring of the EEE Teaching Toolkit as Good Practice Example in the EntreComp Into Action User Guide published by European Commission; and recent updates on how the project outputs have been introduced and utilised in the project regions.

We hope you enjoy reading our newsletter.

Best regards,
The EEE Project Team
